POWER ANTENNA PARTS

POWER ANTENNA

Power Antenna

This is a reproduction antenna. It uses your old antenna cable connection, antenna nut and antenna tip. A very nice new replacement. This is a complete kit with bracket.

1 Year Warranty

1982-1987 Regal, GN, GNX
PA829\$165.00 Each

FIXED ANTENNA PARTS

Fixed Antenna Nut

1984-1987 Regal, GN, GNX

Replacement solid mast.
 1982-1987 Regal, GN, GNX
AM824B (Black)\$19.50 Each
AM824 (Chrome)\$19.50 Each

ACDELCO

STEREO SPEAKERS

Replace those crackly sounding speakers with new premium ACDELCO replacements. These are the correct replacements for all Regal, GN, GNX Concert Sound stereo systems and will be an upgrade to those w/o the Concert Sound option.

1981-1987 Regal, T-Type, GN, GNX
 Front Speakers under Dash Plate
S817D\$39.50 Pair
 Rear Package Shelf Speaker
S787\$45.00 Each

Power Antenna Nut

1982-1987 Regal, T-TYPE, GN, GNX
AN827 (BLACK).....\$7.75 Each
AN827C (CHROME).....\$7.00 Each

Power Antenna Spacer (Black)

The small black spacer that sits between the antenna nut and the fender. It is wedge shaped and provides the correct angle to keep the antenna verticle
 1982-1987 Regal, GN, GNX
AS827\$6.00 Each

Power Antenna Tip

The Finial Cap screws onto the very top of the antenna and actually aids in pulling the antenna down when you shut off the radio.
 1982-1987 Regal, GN, GNX
AT829\$4.00 Each

Power Antenna Repair Cable

If your power antenna does not go up or down and just hums, it is probably a broken internal cable. This is also the top most solid section of the antenna.
 1982-1987 Regal, GN, GNX
AC829.....\$24.50 Each

Power Antenna Mast Tube

All three sections of the power antenna plus a replacement cable and tube. If your antenna is bent or dented, it will not allow the antenna to fully extend or retract.
